

Tulsa SPCA Auxiliary Volunteer Application

The Tulsa Society for the Prevention of Cruelty to Animals encourages and appreciates the participation of volunteers who support our mission: "To promote a quality of life for domestic animals, who provide companionship to people in the greater Tulsa area, through rescue, rehabilitation, education, advocacy and community service."

Because both the physical and mental well-being of our residents is important to us, we require that all volunteer applicants attend an introductory meeting to become acquainted with our programs and philosophies. Initial membership dues of \$25 and annual dues of \$15 thereafter are also required. If you agree with our mission and are willing to comply with the above requirements, we invite you to complete the following application.
